SALESFORCE ADMIN / DEVELOPER TRAINING ROADMAP

NEW BATCH STARTING SOON

WELCOME TO CLOUD101 ACADEMY

We are excited to have you take the first step toward building a high-growth career in Salesforce development. Cloud101 Academy is created by real Salesforce professionals who have worked on complex implementations across industries.

OUR MISSION IS SIMPLE:

Provide practical, hands-on Salesforce Developer training that prepares you for real jobs, real interviews, and real projects.

Whether you are a beginner, a student, or a working professional looking to switch careers, our structured and guided program ensures you learn in the most effective way possible.
We believe in clarity, simplicity, and practical learning—no complicated theory, no confusion, no rote learning. Everything you learn here is based on real-world Salesforce experience.

Let's begin your journey to becoming a Salesforce Developer.

Cloud101 Academy Team

ABOUT CLOUD101 ACADEMY

Cloud101 Academy is a Salesforce training initiative built by experienced Salesforce Leads and Specialists. Our programs are designed to help learners understand Salesforce deeply through hands-on learning, real-time examples, and industry-grade projects.

WE FOCUS ON:

Salesforce Admin

Apex Development

Lightning Web Components (LWC)

SOQL, Integrations & API Development

Real-Time Project Development

Interview Preparation & Career Guidance

At Cloud101 Academy, your learning is guided step-by-step, ensuring you understand why something works, not just how it works.

WHY CHOOSE US?

Hands-On Learning

Every session is a live coding session—not theory-heavy lectures.

Beginner-Friendly Approach

You don't need prior IT experience to start.

Real-Time Projects

Build complete applications similar to enterprise use-cases.

Personalized Code Reviews

Get feedback directly from Salesforce Technical Leads.

Updated & Industry-Relevant Curriculum

Modules cover Admin, Apex, LWC, Integrations, Deployment & more.

Interview Preparation

Mock interviews, Q&A, and resume guidance to boost your confidence.

Placement Assistance

Support until you land your ideal Salesforce Developer job.

WHO IS THIS PROGRAM FOR?

This program is designed for:

Students / Graduates

Business Analyst

Working Professionals

Non-IT Backgrounds

QA Professionals

Anyone looking to switch to a high-paying IT career

If you want a career with excellent growth, global demand, and strong salaries, Salesforce Developer is one of the best IT roles today.
